In 2015, our Faculty members conducted a total of 15 international and 55 national projects. In this issue of the FEAS E-Research Bulletin, we provide a brief summary of these projects, which has been based on our Faculty’s CV performance records for the year 2015. We hope that the Bulletin will help foster future projects and collaborative work among our Faculty members.

I kindly acknowledge our Associate Dean Prof. Dr. Meltem Dayıoğlu, our faculty secretary Neşe Aydoğan and our assistant Utku Havuç for their help in putting together this issue.
